HEALTHCARE WITH LOVE AND COMPASSION

The first step to success is Daring to Begin.....

Shri B.V.V Sangha was established by H.H Shri Gurubasava Maha Swamiji of Bilur on 18.10.1906. The Sangha has initiated its educational activities by starting a Sanskrit Pathashala in 1907. The sangha has a vision and leaves no stone unturned to make S. Nijalingappa Medical College and HSK Hospital as one of the best institutions of international quality in medical education and also in providing medical care

Our Chairman, **Shri Dr. Veeranna C Charantimath**, envisioned creating an advanced medical care in an atmosphere of love and compassion in this socio-economical backward area of North Karnataka.

ABOUT SNMC

S. Nijalingappa Medical College and HSK Hospital and Research Centre, started in 2002 brings together a dedicated team of physicians, nurses, and other healthcare professionals to provide the highest standards of medical treatment. Our extensive infrastructure comprises of 18 modern operating theatres, 955 teaching beds, and 136 comprehensively equipped intensive care beds including special beds.

OBJECTIVE

There is a constituted Governing Council headed by Shri Ashok M Sajjan (Bevoor) as Chairman, Dean/Principal Dr. Bhuvaneshwari C Yelamali as co-ordinators and other members of Governing Council.

The governing council meets often and all the important decisions pertaining to Academics, Purchase of equipment, Shortcomings in the hospital, Student and Staff welfare which are discussed in depth and the amendments brought out are implemented. The college council meets once in two months, where in all the heads of the department are members, headed by Dean/Principal.

The college council takes note of the Academics time table and Assessment exams, Postgraduate training and also discusses about the short comings in the department as per the amendments of NMC and RGUHS and Functioning of hospital as well. It passes on the recommendations to the Governing council pertaining to the requirement of equipment, Changes in the functioning of the hospital and Implementation of newer aspects with reference to services, Laboratory investigations, newer technologies to be incorporated.

This Citizen's Charter is an expression of our commitment towards improving our services offered to make them more efficient and responsive and at the same time making our working more transparent to our valued patients. This Citizen's Charter is an attempt to bring the institute closer to its patients in the society. This Charter is made to provide a framework, which enables our users to know:

- What services are available in this institute?
- The quality of services they are entitled to.
- The means through which complaints regarding denial or poor quality of service will be redressed

MISSION

Focus to stimulate the extension of frontiers of education, knowledge research and extend the life line of every patient through diagnosis, treatment and education programmes.

The institute's mission is to provide outstanding and affordable medical care in a patient friendly environment and in a spirit of compassion to all, regardless of race, caste, religion etc. With aim of a non-profit organization dedicated to establishing a center of excellence in health care and improving the well-being of the community through quality programmes of preventive medicine, medical education and research
