CIRCULAR

Schedule of Institutional Ethics Committee Meetings for 2026

The meetings of Institutional Ethics Committee to review research proposals for ethical issues will be conducted on Thursdays of last week of every second month. In case of unavoidable circumstances, the meeting will be conducted on another day closer to that.

The schedule of the meetings for 2026 is as below

Meeting No.	Date of meeting
1	26 February 2026
2	30 April 2026
3	2 July 2026
4	27 August 2026
5	29 October 2026
6	31 December 2026

The investigators should submit their duly signed proposal in the prescribed format at least 10 working days before the scheduled meeting to enable the committee members enough time to review the proposals. Applications received after the deadline will be taken up in the subsequent meetings
