All the deficiencies stay as such i.e.

1. Dialysis facilities - both peritoneal & haemo - are not available.
2. Number of deaths are very less - 9 deaths in 3 months & 108 deaths in last 3 years as serious cases are referred to other centers. It will certainly affect critical care training of students.
3. Declaration Forms of faculty & Residents are incomplete as detailed in the assessment report.
4. Unit 1 does not have Asso. Prof.; hence faculty complement is incomplete. It has only 2 faculty hence it cannot be considered as PG Unit.
5. Unit 3 has only 1 faculty; hence it cannot be considered as a teaching Unit at all.
6. Teaching facilities are inadequate in OPD.
7. Investigative facilities like nerve conduction, EMG are not available.
8. Other deficiencies pointed out in the assessment report.

Seats were permitted in 2010, which have not been recognized.

In view of the above, the Postgraduate Medical Education Committee is of the considered opinion that the failure on the part of your Institution to timely rectify the deficiencies show that the standard of Postgraduate medical education is not maintained in your Institute and therefore, you are called upon to submit the reply as to why directions for stoppage of admissions in Postgraduate Courses MD (General Medicine) be not issued from academic year 2015-2016.

The reply to this Show-Cause must reach to the office of the Council within a period of 15 days from the issue of the Notice failing which the Council may decide the matter on the basis of available material.
